Dear

At Mr. May's request, I have sent you under separate cover, for background information only, the draft (classified SECRET) of a paper on "Data Reduction, Storage, and Retrieval: An Investment Strategy." I want to emphasize that this paper, prepared by the Artificial Intelligence Applications Working Group, is yet in draft form. But, it does contain information of interest to the panel, including data storage information.

Please call me if I may be of assistance in any way.

Sincerely,

Executive Secretary
of the CIA Computer Study Panel
